

20th November 2018

Dear Colleagues!

We invite you to take part in the 4th International Conference on Nuclear Decommissioning and Environmental Recovery, INUDECO 19, which will be held on April 25-26, 2019 in Slavutyich (Ukraine), in the framework of the activities dedicated to the 33rd anniversary of the Chornobyl accident.

The conference is held to address problems and perspectives, increase the efficiency level of scientific and practical research, establish cooperation and exchange of experience on the decommissioning of nuclear facilities and environmental recovery.

Representatives of the public and private sectors, non-governmental and scientific organizations will have the opportunity to participate in open discussions on the following topics:

- **Chornobyl NPP and Object Shelter** (radioactive waste and spent fuel management, implementation of the project on Object Shelter transformation into an environmentally safe system).
- **Nuclear Power and New Energy** (repair and maintenance of NPPs, decommissioning of nuclear facilities, information technology for critical infrastructure).
- **From Catastrophe to the New Life** (rehabilitation, reintegration of territories and social adaptation of the public, use of alternative and renewable energy sources).

The conference will hold the **3rd Hackathon “Slavutyich is the City of New Ideas”** to take place on April 23-24, 2019, as well as a **technical tour to Chornobyl NPP site** on April 25, 2019.

Languages of the conference: Ukrainian, English, and Russian. The registration fee will make 250 UAH. per person. All logistic information, a free transfer by route Slavutyich – Kyiv – Slavutyich, and a cultural and tourist program is provided by the Steering Committee. Organizers do not cover costs for participants accommodation and meals. Number of participants is limited.

Registration for the conference will be open from **01 February to 10 April 2019**.

Organizing Committee contacts: e-mail: inudeco2018@gmail.com;
phone: +38 (045-79) 22250, 21090, +38 0503531135.

Your and your colleagues' participation in the conference will be much appreciated.

Sincerely,

Anatolii Nosovskyi,
Co-chairman of the Program and Scientific
Organizing Committee,
D.Eng.Sc., Director of the Institute for
Safety Problems of NPPs of the National
Academy of Sciences of Ukraine

Yurii Fomichev,
Co-chairman of the Program and Scientific
Organizing Committee,
Slavutyich City Mayor
