

*March 1<sup>st</sup>, 2018 .*

**Dear colleagues!**

We invite you to participate in the **Third International Conference on Nuclear Decommissioning and Environment Recovery INUDECO`18**, which will be held on **April 25–27, 2018** in Slavutych (Ukraine) in the scope of events dedicated to 32 anniversary of the accident at the Chornobyl NPP.

You can find detailed information on the official website of the conference <http://inudeco.pro/>. Registration for the conference is open until 18:00 April 10<sup>th</sup>, 2018. The text of the reports are accepted until 18.00 April 10<sup>th</sup>, 2018.

Participants of the INUDECO 18 will have an ability to take part in the 13th **Slavutich ECO-Forum**. The forum has been held since 2016. Every year many people, who care about ecological problems of sustainable development and preservation of the environment, come to Slavutych - the satellite town of Chernobyl NPP. They are students and pupils, scientists, representatives of non-governmental organizations and public activists who interested in consequences of man-made disasters and make scientific and practical researchers in this field. **26<sup>th</sup> of April** there will be a studying excursion to the State Scientific and Researching Institution “Chornobyl Centre of Radiological Safety, Radioactive Waste and Radioecology” for all interested participants of INUDECO 18 and 13<sup>th</sup> ECO-Forum.

**27<sup>th</sup> of April** participants of the conference will have an opportunity to visit a site of Chornobyl NPP. An excursion will be carried out according to the requirements of the Order of visiting the citizens of Ukraine, foreign delegations and foreigners of the exclusion zone and the zone of unconditional (mandatory) resettlement. If someone wants to take part in this excursion, he or she has to be older than 18, apply for visit by filling [Application Form for dosimetry control at ChNPP](#) and send it until 18:00 10<sup>th</sup> April on the e-mail [inudeco2018@gmail.com](mailto:inudeco2018@gmail.com).
