

21st March 2018.

Dear colleagues!

We invite you to take part in the Third International Conference on Nuclear Decommissioning and Environment Recovery INUDECO 18, which will be held 25–27th of April 2018 in Slavutych (Ukraine) in the scope of events dedicated to 32 anniversary of the accident at the Chornobyl NPP.

You can find detailed information on the official website of the conference <http://inudeco.pro/>. Registration for the conference is open until 18.00 10th April, 2018. The texts of the reports are accepted until 18.00 10th April, 2018.

Participation as co-organizers and partners has already been confirmed by: State Agency of Ukraine for the management of the exclusion zone, Sub-division of Ukraine National Nuclear Energy Company «Nuclear Repair Service», State Specialized Enterprise «Chornobyl NPP», State Research Institution «State Research Institute «Chornobyl Center for Radiation Safety, Radioactive Waste and Radioecology», Institute for Safety Problems of Nuclear Power Plants of the National Academy of Sciences of Ukraine, Institute of Mathematical Machines and Systems NAS of Ukraine, National Technical University of Ukraine «Kyiv Polytechnic Institute of Sikorsky», Office of reforms in the Kyiv region, All-ukrainian Public Organization “Mayor Club”, Slavutych branch of Kyiv Polytechnic Institute of Sikorsky.

According to the decision of the organizing committee, a new section - "**Perspectives of using non-traditional and renewable energy sources**" is added to the conference program. We offer you to consider participating in the work of this section and inform the organizers by making changes in your personal cabinet on the conference web-site.

We pay your attention to the [logistics](#) of the conference and [the requirements to the performance and design of the materials](#), which are on the start page of the official web-site of INUDECO 18. For all questions about the free business lunch and transfer Kyiv-Slavutych-Kyiv you can apply by the phones +38 (045-79) 22250, 21090, +38 0503531135, contact person Karasova Maryna.

To the attention of the participating teams of Hackathon "Slavutich - a city of new ideas". We offer, if necessary, advices on preparing for hackathon by phones +38 (045-79) 22250, 21090, +38 0509009474, contact person Aryna Starovoitova. The prize fund of the hackathon is 10 000 USD.

For all INUDECO 18 participants there is a free cultural program like an opportunity to visit the Chernobyl Nuclear Power Plant and the Shelter Object. If you wish to take part in the trip, you must fill out [special application form](#) and send it till 18.00 10 April, 2018 to the e-mail inudeco2018@gmail.com.

The participants of the conference, who are Slavutychers, can apply to the organizing committee on payment issues. Contact phones of the organizing committee: +38 (045-79) 22250, 21090, +38 0503531135.

Sincerely yours,
Anatoliy Nosovski,
Co-Chair of the scientific organizing committee,
D.Sc, professor,
Corr. member of NAS Ukraine, Director of
Safety Problems of Nuclear Power Plants of
Ukrainian National Academy of Sciences

Yuriy Fomichev,
Co-Chair of the scientific organizing committee,
Mayor of Slavutych
